

Smart People , stupid meetings

(a workshop)

Ever gone to meeting that became hugely frustrating for everyone?

A workshop dealing with meeting management, "*Smart people, stupid meetings*" will explore how every person at a meeting plays a role in keeping it productive, on track, and fun.

Plus we'll cover tips on how you can spice up your AGM and get people out to YOUR meeting!

Brought to you by:

Thursday, March 16, 2006
