

Volunteer Saskatoon &

Volunteer Management Group present ...

Appreciative Inquiry (AI) is an exciting approach to discovery and change within human systems. AI asks “what is working?” and assumes that in every situation something works. By focusing on what works, rather than trying to fix what doesn’t, Appreciative Inquiry offers an exceptional opportunity for creative growth and learning while engaging everyone in the process.

*Join us*

*Wednesday November 22/06*

*1:00 pm–4:00 pm in the*
