

Volunteer Saskatoon Workshop

Grant Writing—Part 3 “Putting the Pieces Together”

Join us for the third in a series of educational workshops on the topic of Grant Writing. Geared for those who are just getting started in the grant writing process, or those who need a refresher on the basics, we are pleased to offer these important educational workshops.

This workshop builds on the two previous workshops and will focus on writing the application, preparing for follow up/evaluation.

Rosalyn Kirkham, our workshop presenter, was first introduced to grant applications 20 years ago while employed at the U of S. Her grant writing experience includes work with Community Associations and a national based health charity. Rosalyn has been an active volunteer in Saskatoon for over 20 years.
